

Chelsea, Darling.

Design Experience

May 2008–Present

The Adsmith | Athens, Georgia

Design Intern

Design logos, print collateral, and web content for a wide array of clients and applications.

November 2007–May 2008

Integrated Medical Systems | Birmingham, Alabama

Freelance Designer

Developed printed materials like sales sheets and instruction manuals. Created composite imagery.

June 2007–August 2007

J. Walter Thompson | Atlanta, Georgia

Creative Intern

Worked in the creative department and developed skills in the production processes including but not limited to: Adobe design software, printing, and digital file management.

May 2005–August 2005

Adair Greene-McCann | Atlanta, Georgia

May 2006–August 2006

Junior Art Director; Intern; Freelance Illustrator

March 2008

Performed tasks such as designing brands, advertisements and collateral; creating comps; developing creative strategies; and producing, editing, and managing digital files. Also have provided scientific illustration services.

2005–2006

Apostrophe Literary Magazine | Marietta, Georgia

Head Designer

Lead the creative direction of a team of four in designing this annual magazine.

2003–2006

The Greyhound Tracks | Marietta, Georgia

Entertainment Editor, Illustrator

Managed and designed the Entertainment section for this bimonthly newspaper. Also illustrated images and cartoons, managed images, lead a redesign initiative, and wrote multiple articles for each publication.

2005

Eastminster Presbyterian Church | Marietta, Georgia

Freelance Designer

Directed and executed marketing campaign for a capital building initiative; designed posters and materials for festivals and other activities.

Other Work Experience

September 2006–August 2008

Enterprise Information Technology Services | Athens, Georgia

Help Desk Representative

Responsibilities included resolving phone calls and emails with queries about university computer systems and services as well as basic computation. Developed a strong foundation in interpersonal communication, troubleshooting skills, and technical knowledge.

May 2005–January 2008

Chocolate Jewels | Marietta, Georgia

General Employee, Manager

I contributed invaluable management of the many “loose ends” involved with a new business in addition to covering the usual tasks of selling, cooking, and cleaning.
